# Recognizing Top Performers

- In January 2022, the Board approved a motion to award the top ~10 performers of 2020 and 2021, as measured by the number of Work Hours performed on-site at the club, with Ship Store credit.
- An amount of \$1300 was added to the 2022 Budget to cover that expense.
- Now for 2023:

Suggested Motion: I move that the Board add to the 2023 Budget an expense line item in the amount of \$875, to be distributed through Ships Stores credit to the 2022 Work Hour high performers, as outlined in this presentation made at the January 9, 2023 Board meeting.

# Thought Questions for 2023 Recognition

- Should off-site Work Hours be included in the Totals for identifying the Top Performers for 2023?
- Do these qualify as helping to “Develop and Maintain” the club facilities?
