

# Vice Commodore Report

Gary Brown - Nov 2024

# Work Hours per Membership - Nov 13, 2023

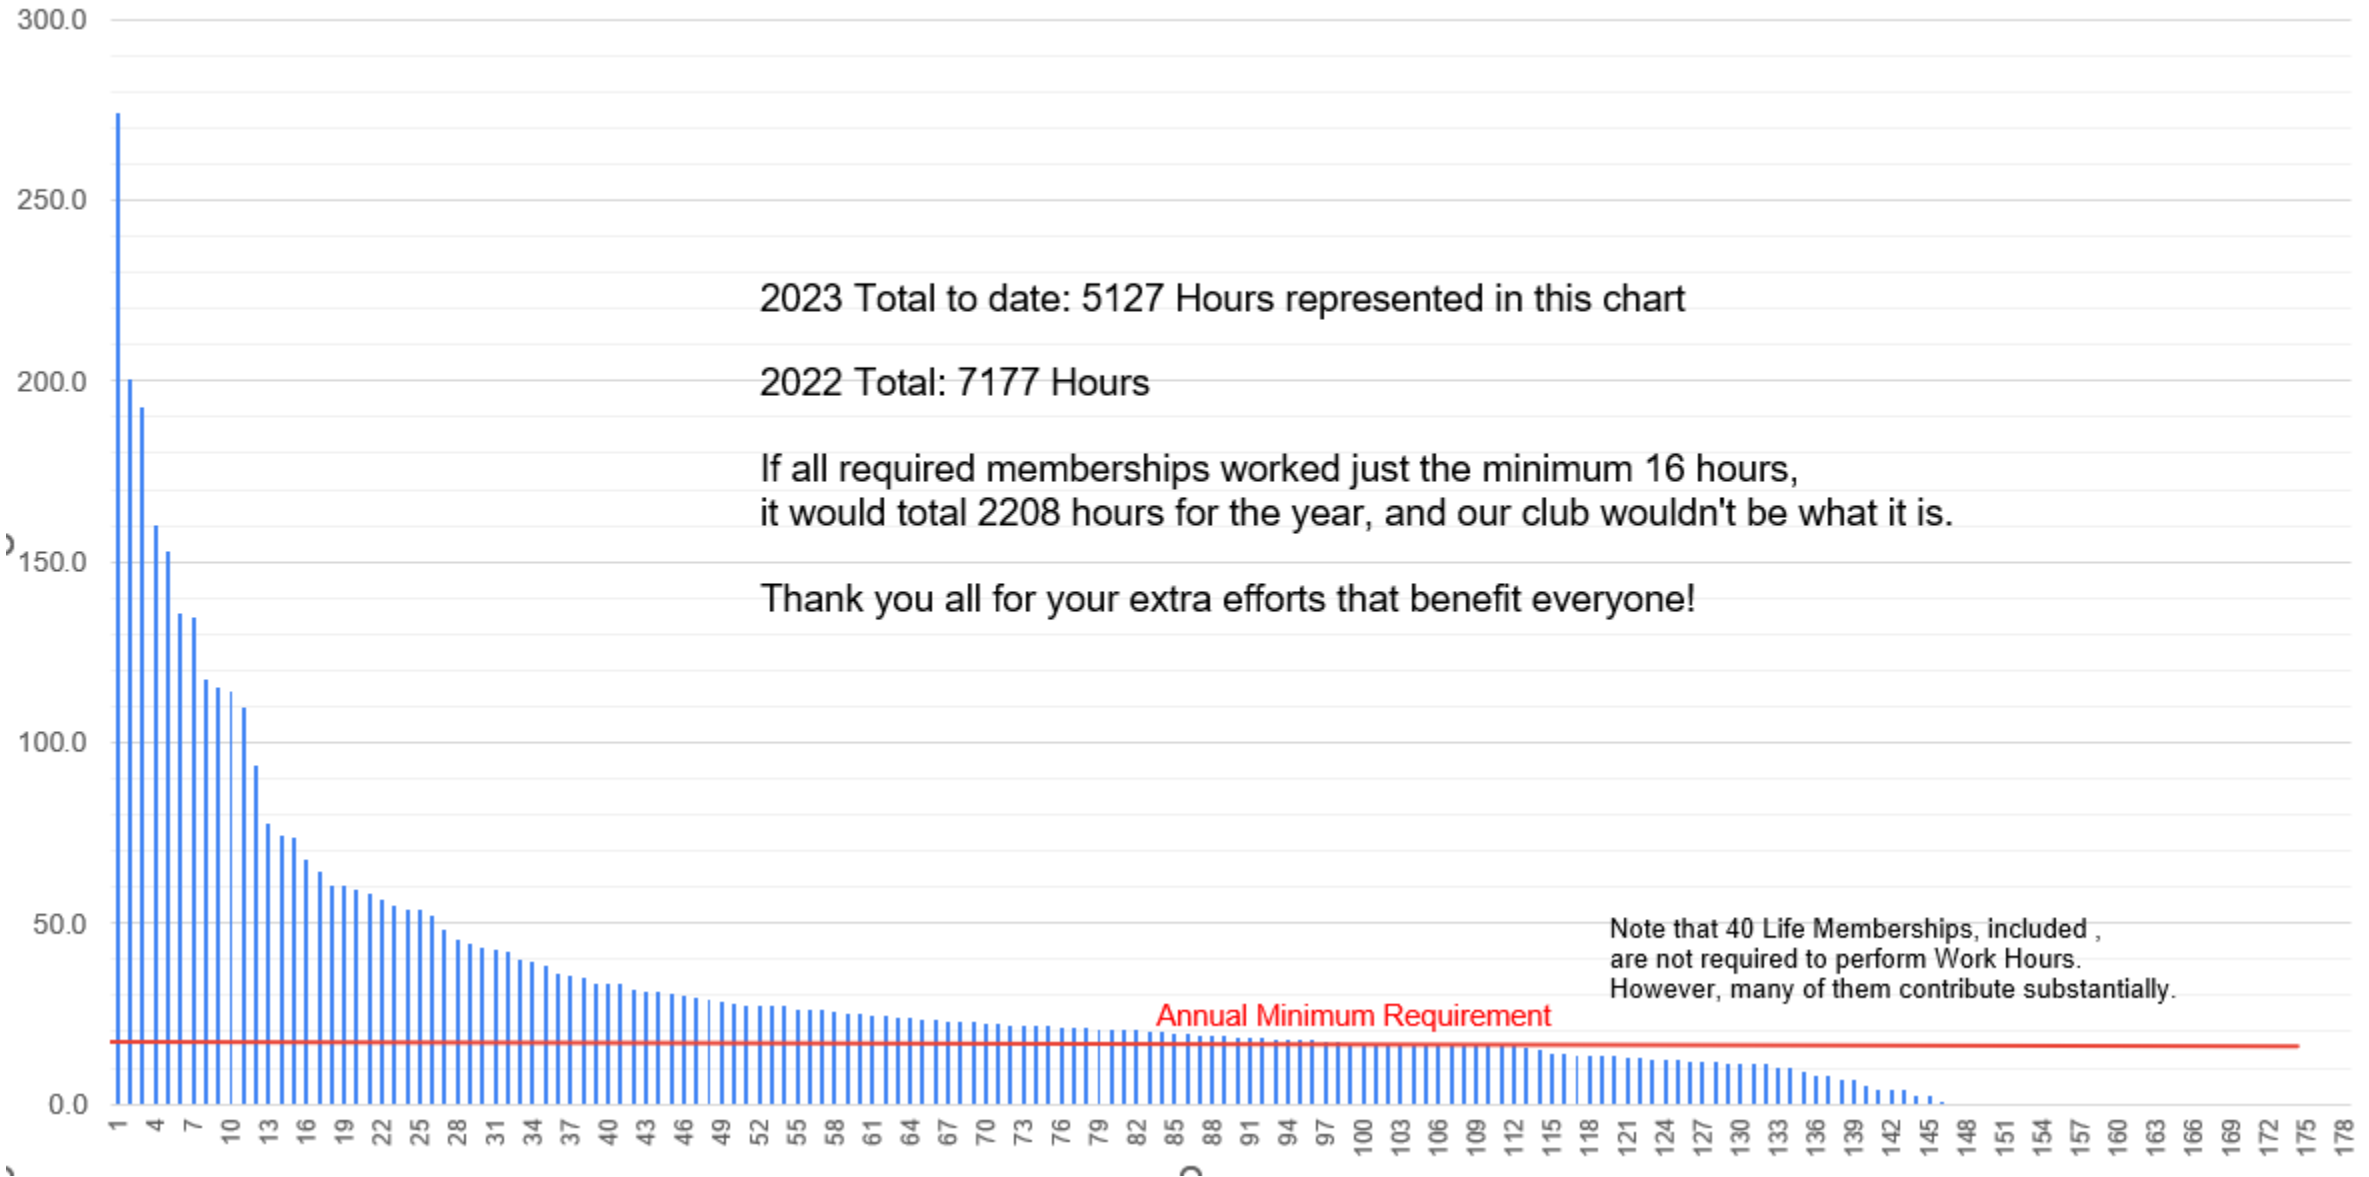

2023 Total to date: 5127 Hours represented in this chart

2022 Total: 7177 Hours

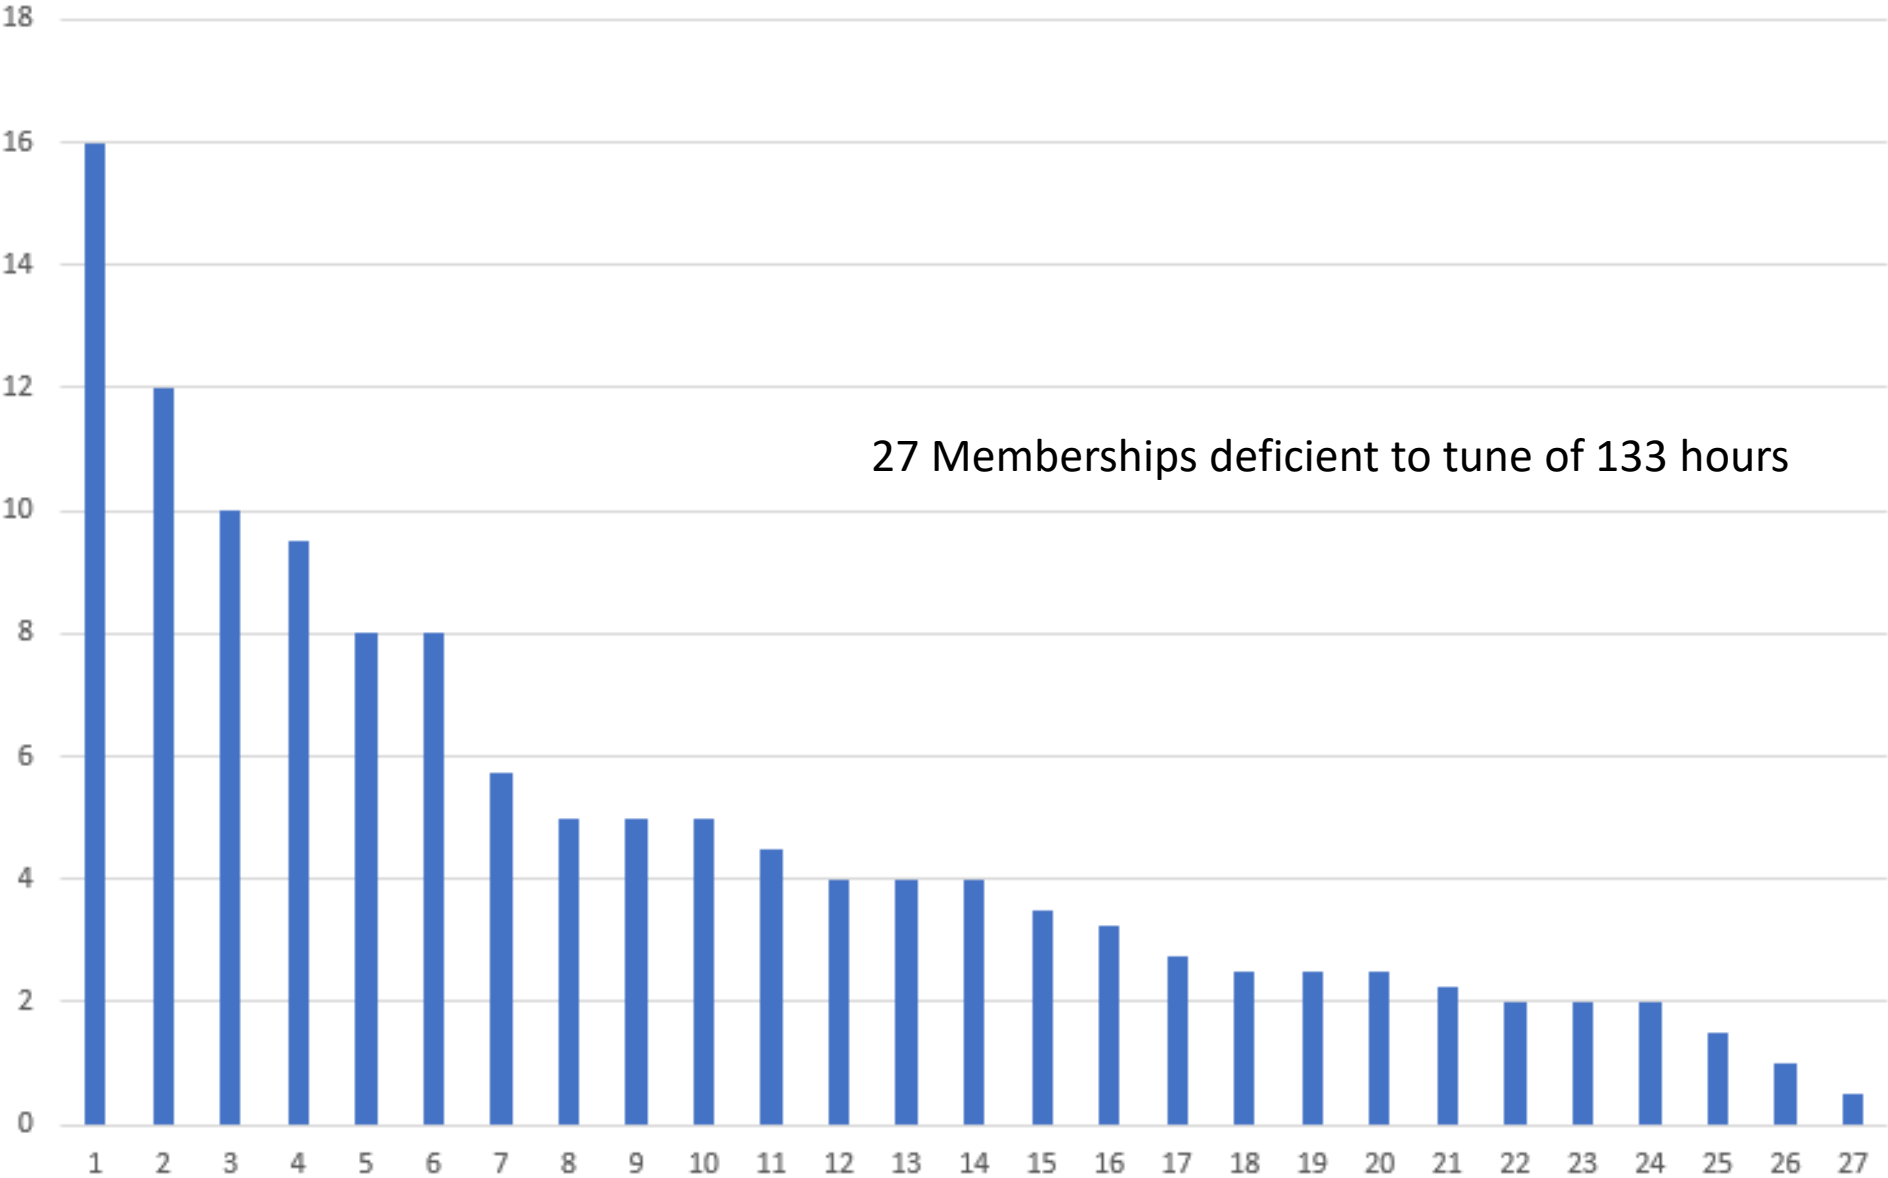

If all required memberships worked just the minimum 16 hours,  
it would total 2208 hours for the year, and our club wouldn't be what it is.

Thank you all for your extra efforts that benefit everyone!

Note that 40 Life Memberships, included ,  
are not required to perform Work Hours.  
However, many of them contribute substantially.

### Deficient Hours - 27 Memberships - Nov 13, 2023

# What Hours are counted?

Bylaws states that work hours are for the “Development and Maintenance” of the club

- Broad interpretation of definition
- “Hour is an Hour”
- BBQ walk parties

Gary proposes to keep this as simple as possible

On bright side: Club is getting the needed work done in 1<sup>st</sup> and 2<sup>nd</sup> halves
